Once we have accepted all materials, we will post your approved stamped roster on GotSoccer for you to download. You should plan on checking GotSoccer at least once a week for updates and then daily as we reach the deadlines for on-line check-in.

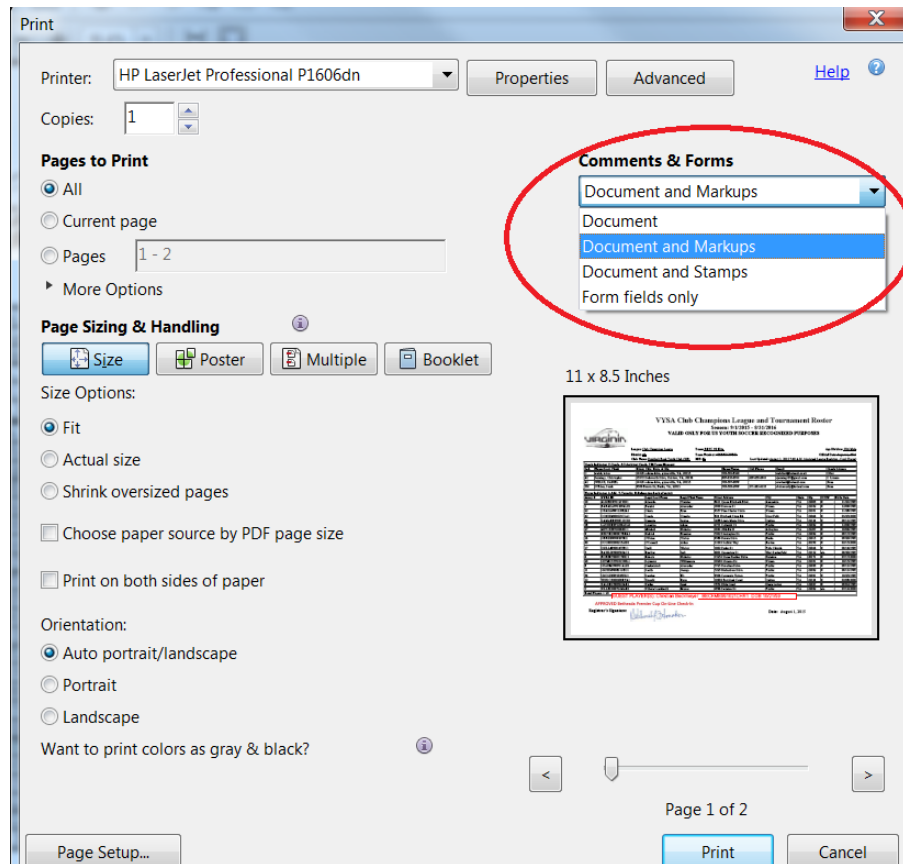

FREQUENTLY ASKED QUESTIONS

Check -In Confirmation:

If I checked my team in on-line, how will I know my roster has been approved?

Approved stamped rosters will be uploaded into GotSoccer for you to download under the “BSC USE ONLY: APPROVED On-Line Roster” label. This will be your official tournament roster. You **MUST** bring this to the tournament with you and show it along with your original player cards to the Field Marshal (FM) prior to every game. This file will be posted no later than one week prior to the tournament start date.

NOTE: If the Stamp Bethesda stamp does not display when you print your document, you must ensure that the “Documents and Markups” is selected under the “Comments & Forms” section highlighted in the image below for you.

Players not attending the event:

If a player is not attending the event do I leave their name on the roster?

No, if a player is not attending the event, you need to cross their name off the roster.

Guest Players & Roster Size:

What is the maximum number of guest players a team can bring to the event?

Three

The cap for the roster size per age groups including guest players are as follows

U13 -U19 (11v11) - rosters with guest players cannot exceed 22, but only 18 may dress for any given game.

U13- U19 Teams

Rostered players may play for other teams within the same club without needing guest player approval! Allowing players to move within the Club teams helps them with injury coverage as well as tiering for tournament purposes. For example, a Bethesda Green player in the U13 age group can play on the U13 Bethesda Blue team without needing guest player approval.

How do I add a guest player?

Step 1: Obtain the guest players current player card and medical release form

Step 2: Photocopy your original roster. Handwrite the guest player's full name, unique jersey number, player identification number and birthday below the bottom of the existing rostered players.

Note: US Club Soccer teams may only take guest players registered under US Club Soccer, and USYSA teams may only take guest players registered with properly stamped USYSA player pass cards. No roster may be comprised of players with different passes from different organizations (no "mixed rosters").

How do I add a guest player after my on-line registration was approved?

Due to the size of the tournament, teams will not be allowed to resubmit their roster online unless permission is given by the registrar. This will depend on the workload of the registrar. Teams will be allowed to resubmit their roster in person during the on-site check-in dates and times. If your team needs to modify/resubmit their roster you must do so before the deadline or follow the directions for on-site check-in.

Medical Release Forms

Do I include the medical release forms in the early registration document?

- No. All teams must have a medical release form for each player (including guest players) but **DO NOT** include the medical release forms in the online registration package.

Do Medical Releases need to be notarized?

- No. Medical Releases DO NOT need to be notarized. However, you must have signed our rules and guideline form stating that you have medical releases for all of your players.
