

We are excited to announce that CaptainU is the official recruiting partner of 2023 Bethesda Premier Cup Boys!

Through our partnership, all athletes get a free CaptainU profile. Athletes can create an athletic and academic resume through their profile and will have immediate access to every college Soccer program in the country to share their recruiting profile with.

- **Coaches:** Please use [THIS LINK](#) to create your roster and email it to [rosters@captainu.com](mailto:rosters@captainu.com) and our team will handle everything else to get the profiles created.
  - Please include a distinct player or players parent email, this is how their profile is created. If there is no distinct player or parent email, your players will not have access to their profile. After they receive the profile, they have the ability to use it for free, upgrade their profile, or deactivate their profile.
